## **New Texas Nonprofit Launches to Grant Life-Enriching Wishes for Abuse Survivors.**

*International Best-Selling Author and Award-Winning Therapist, Shannon Thomas LCSW, is the co-founder of new nonprofit, Keep Dreaming Big Project, Inc.*

**FORT WORTH, Texas** – June 3, 2019 – Keep Dreaming Big Project, Inc. grants life-enriching wishes for abuse survivors and creates global awareness of hidden abuse.

Hidden abuse involves psychological, emotional, financial, and/or spiritual harm against a target. The cryptic nature of hidden abuse often goes undetected by those closest to the victim. Hidden abuse leaves no physical bruises. There are no broken bones. There are no holes in the walls. The bruises, brokenness, and holes are held tightly within the target of the abuse.

Adults and children/teens can be victims of hidden abuse. It is a form of harm that impacts all income demographics, geographical locations, languages, and cultures.

Keep Dreaming Big Project will host its first public fundraiser Friday June 14, 2019 5pm-8pm in partnership with Solarté Collections ([solartecollections.com](http://solartecollections.com)) and Hello Daffodil – Flower Mound at 2451 Lakeside Parkway #140, Flower Mound TX.

10% of proceeds will benefit Keep Dreaming Big Project to fulfill their mission to grant wishes for abuse survivors and implement education & awareness campaigns related to hidden abuse.
